NOTES ON JAMMING -- USG POSITION

- 1979 World Administrative Radio Conference - USG submitted protocol statement to effect that we opposed jamming by anyone.
- 1982 Senate Resolution (Draft) #398 (Clear Channel Broadcasting Resolution) calling for an amendment to Radio Marti legislation, citing Helsinki Final Act, and saying if Castro jams Radio Marti, we will respond in kind. Resolution held in Committee at request of State Department, citing our previous and ongoing initiatives calling for an end to all jamming, based on spirit of Helsinki Accords signed 1 August 1975. (See attached report, Page 137 particularly.)
